

Eileen  Molony
PHOTOGRAPHY

The first class photo in each gallery is designed to be printed 8x10. If ordering Pack One that includes the class photo you will receive this first image.

If you are ordering a different print size of the class photo use the second image, it is the same photo but best for 4x6 or 5x7 printing.

All individual portraits have 2/3 format. They will have no cropping when printed 4x6, 6x9, 8x12, will have slight cropping at 5x7/3.5x5 and will have significant cropping when printed 8x10. If ordering online you are advised to check cropping before checkout.

Using the order form attached payment is by check/cash, Eileen Molony Photography. Please use the **IMG_number** not the gallery sequence number on your order form. The IMG_# is below each photograph once you have clicked on the photo to enlarge. The gallery sequence number repeats in every class gallery so cannot be used on the order form.

Digital orders will be emailed to you within a week of the order form return date. It is recommended to add eileen@emphotography.net to your contacts so your files do not go to spam.

Print orders will be available for pick up at the school in early Dec. Sorry, no refunds on printed orders.

Print Pack 1-5 and sheets are available.
